A row of old, leather-bound books on a shelf, with a quote overlaid in white cursive script. The books are arranged in a perspective that recedes into the distance. The spines of the books are visible, with some text like 'SHAKESPEARE' and 'VOL. I.' embossed on them. The lighting is dramatic, highlighting the texture of the leather and the gold leaf on the book spines.

Be not afraid of greatness.
Some are born great, some
achieve greatness, and some have
greatness thrust upon 'em.
